PROFILE

As a Front-End Developer in my 8th Semester of Computer Science, I specialize in web and app development using React JS and React Native. My skill set includes HTML, CSS, and JavaScript, with a focus on creating reusable and scalable solutions. I am detail-oriented with strong analytical skills, able to work effectively both in teams and independently. My approach combines technical proficiency with a creative mindset to deliver high-quality projects.

EXPERIENCE

App Development Intern (Remote)
Aug 2023 – Sep 2023
